Snow shall be plowed to the north end of the northern parking area, away from the building so as to not interfere with customer and client parking. Snow shall be plowed from the westerly parking area into the small parking pad adjacent to Greenbush Garden.

Parking lots and sidewalks shall be salted so as provide safe passage from parking areas to the building entrances and to minimize slipping hazards.

The area adjacent to the rear (north) entrance to the building shall be plowed or shoveled / snow blown so that all snow is removed at the rear step area. The adjoining areas on the west and east sides of the entry that are adjacent to the building may have a narrow strip of snow (not more than one foot) remain in place.

Proposals are due on or before 3:00 p.m. (CDT), Wednesday, September 10, 2014.

Proposals shall include proof of adequate insurance coverage and not less than three references from other clients for similar services.

Questions and proposals should be addressed to:
