Supervisor's Message

Now that the memorable Winter of 2018/19 has passed with its record setting wind chills, record low and low high temperatures and snow / ice that seemed would never melt, it's time for Spring, right? Perhaps we'll have one this year as opposed to last year's transition from Winter directly to Summer.

Anyway, we can always complain about the weather and our elected leaders, right? Well, you have the opportunity to vote again this year – for local leaders of the Rock Island / Milan School Board and Wards 2, 4 and 6 of the Rock Island City Council.

Election Day is Tuesday, April 2nd, with polling places opening at 6:00 a.m. and closing at 7:00 p.m. You can also vote early at the Rock Island County Office Building, 1504 3rd Avenue. There's no excuse not to vote. If you don't, you can't complain about decisions made in the future. Yeah, right!

See Joan Clark's Clerk's Corner (page 3) for more details about who is running for what positions and see page 7 regarding early voting.

Another civic responsibility is coming around as well – the 2020 Census. April 1, 2020 is officially Census Day, but you'll be hearing more about the Census between now and then. The Supreme Court will decide whether a question about citizenship should be on the Census or not; there will be local publicity about Census Bureau jobs and the importance of a complete count; Illinois may lose one (or more) Congressional seats; and Federal funding will continue to be directly tied to the Census.

Don't hesitate to complete the Census form. By law, Census information remains confidential for 72 years and data privacy is one of the prime missions of the Census Bureau.

More specific to the Township, you may have seen our building take on a new look. Thanks to assistance from Laborers Local 309, we had a new flag pole installed and they placed two benches in the Matthew Parker Memorial Garden, adjacent to our northern parking lot.

Jeff Deppe played a key role in seeing that this was completed – on "Black Friday", November 23rd, just before we enjoyed nearly 14 inches of snow two days later! Thanks go to Jeff and his crew for making this happen. The Township made a \$500 donation to the Local 309 Veterans Assistance Fund.

You should also check out our newly painted building exterior. Scott Decorating completed this project last Fall, using a color scheme suggested by local artist / muralist Sarah Robb. There was quite a change in appearance.

We said goodbye to the Roofers Union, who moved to larger space in another Rock Island location, but we were able to provide expanded office space for DeLaCerde House, one of our existing tenants. QCGeneral recently completed a contract that joined what had been two separate offices into one space for DeLaCerde House.

This Spring, our parking lots will be sealed and striped by FW Asphalt. We'll also be bidding sidewalk work to eliminate some drainage issues. We'll continue to be good stewards of our property.

In addition to our "regular" programs such as General Assistance, Work Readiness, Emergency Assistance, etc., the Township continues to cultivate partnerships with local organizations and service providers who can address the needs of Township residents. These include the City of Rock Island's Library, Parks and Recreation Department and King Center, MetroLINK, Activate Rock Island, the Rock Island / Milan School District's Leadership Team, other Rock Island County Townships, among others.

Finally, I invite you to attend our Annual Town Meeting on **Tuesday, April 9th at 6:01 p.m.** to hear what Rock Island Township offers to its residents.

This is our spring issue of the Township newsletter. The winter brought us snow, blizzard conditions, sub-zero temperatures, ice, wind, sleet and potholes. Spring has many connotations, like spring fever; spring to mind; spring into action; hope springs eternal; no spring chicken; spring ahead, fall back.

And all this talk of spring leads into April when our federal income taxes are due and then April showers bring us May flowers and property tax bills.

The most often asked question is "I just received my tax bill, is it too late to appeal?"

Yes, it is too late to appeal. Assessments are finalized at the end of each year. They are certified to the Department of Revenue and then the Rock Island County Clerk begins the process of calculating the tax bills. The files are closed and it is too late to change assessments. An incorrect opinion on the value of your property does not justify a corrected bill. However, if there is an error in the calculation of your bill because of an exemption that you qualify for and that exemption was not applied to the bill, we may be able to correct the tax bill. The sooner you contact us about it, the better.

EXEMPTION REMINDERS

■ If you are a new homeowner who just purchased your home in 2018 and it was your principal residence on January 1st of this year, you should come in and sign up for the Owner-Occupied exemption which will lower the tax bill that you will receive in 2020.

■ If your 65th birthday is this year, you will qualify for the Senior Homestead Exemption. You will need to bring proof of age with you when you apply.

■ If you are over 65 years of age, have occupied your home for two consecutive January firsts and the total income for all the members of the household is \$65,000 or less, you may qualify for the Senior Freeze.

■ If you own and occupy the property as of January 1st of the assessment year and are disabled, you might qualify for the Disabled Persons Exemption.

As always, if you need to renew or apply for an exemption and are unable to come to our office call 786-2961 and make an appointment for us to come to you.

ANNUAL TOWN MEETING

What are you doing on Tuesday, April 9th at 6:01 p.m.?

I know where I'll be – at the Rock Island Township Annual Town Meeting at 2827 7th Avenue.

This once-a-year event gives you an opportunity to hear about the range of services offered by and through Rock Island Township, including how many people benefitted and what it cost to provide these services.

So, please join us for this meeting. It will last about an hour and you'll learn about what your Township government does for you.

The weather wasn't perfect, but it was acceptable for outdoor activities and performances at our 3rd Annual Township Day event on September 29, 2018. About 200 residents enjoyed performances by the METRO Youth Drill Team, Kendall Davis of Master Design Boomerangs, and special guests the Hanson Family Unicyclists and Jugglers.

The Hanson Family put on a spectacular display of unicycle, juggling, balance and coordination skills that awed those in attendance.

There was also a Police K-9 demonstration, Fire Department vehicles on display and face painting by Elizabeth Russell.

Walking tacos were served by the seniors of the King Center's A.C.T.I.V.E. Club and useful information was provided by multiple agencies including the City's Library and Parks and Recreation Departments, Spring Forward Learning Center, Rainbow / Skip-A-Long Day Care, Urban Gardeners, Thy Loving Kindness Ministries, among others.

It will be Saturday, April 13th, 9:30 a.m. SHARP, at Lincoln Park (11th Avenue & 38th Street). EMERGENCY ASSISTANCE PROGRAM III

If you had an emergency that prevented you from paying your rent or mortgage or your utility bills (MidAmerican gas / electricity or City of Rock Island water / sewer), the Township may be able to assist. If you qualify, the Township could pay a maximum of \$400 towards those costs. You must have an income and show that you can pay future living expenses. Applications are accepted year-round and are available during our regular business hours.

We assisted 116 clients last fiscal year (April 2018 – March 2019), with an average payment of \$345.

If you qualify for our General Assistance Program, you are not eligible for the Emergency Assistance Program.

Call 309-788-3417 for more information.

GENERAL ASSISTANCE PROGRAM III

If you have applied for disability benefits but have not been approved, or are an unemployed single individual looking for work who needs temporary help, the Township's General Assistance may be for you. If you qualify, we can pay up to \$200 for rent, provide a \$10 food voucher at Hy-Vee or Target (in addition to your food stamps) and a \$57 Target voucher for personal needs. **Contact the office during business hours (8 a.m. – Noon; 1 – 4 p.m.) to get more information.**

TOWNSHIP GRANTS III

We have limited funding to support agencies and organizations providing services and programs that benefit youth, seniors and veterans. Past grants were awarded to local food pantries, the King Center's A.C.T.I.V.E. Club, Spring Forward Learning Center, Urban Gardens, among others. **If you are interested in receiving a grant application, contact the Township at 788-3417 or go to our website where you can download it.**

SENIOR CARE VOUCHERS III

If you are 65 or older and earn \$1,040 per month (or \$1,409 for a couple) or less, you might qualify for our monthly \$35.00 Hy-Vee Senior Cares food voucher program.

Call us at 309-788-3417 and an application will be sent to you. Once you have the required paperwork, call for an appointment where we'll review the details and see if you qualify. Our budget limits the program to 40 Seniors and there is a waiting list at this time.

TRY-Play PROGRAM III

The Township Recreation Youth Play program provides scholarships to Park and Recreation programs and facilities. These include RIFAC, camps, inter-session programs, among others. If you are interested in becoming an American Red Cross Certified Lifeguard, and working as a lifeguard, TRY-Play can help offset some of the course costs. **Contact the City's Parks & Recreation Department at 732-PARK (7275) for more information.**

CENSUS 2020 III

April 1, 2020 is Census Day! It's when all residents of the country are counted and other information is collected (income, housing, race, ancestry, family size, etc.). This important data is used to determine how many individuals each state has in the House of Representatives, how much money is available from the Federal government for education, housing, roads and bridges, among other things.

It's estimated that for every person counted, about \$1,500 comes back to the local community. That's \$15,000 per person over 10 years; until the next Census in 2030.

So, please complete the Census form when it arrives. It's critical to our future!

VOTE! III

There are contested elections in City Council Wards 2,4 and 6 and the Rock Island / Milan School District #41 (vote for three of seven candidates). Early voting at the County Office Building (1504 3rd Avenue, Rock Island) can be done Monday – Friday, March 6th – April 1st and Saturday March 23rd and 30th from 8:00 a.m. – Noon.

Election Day is Tuesday, April 2nd. Polls are open from 6:00 a.m. – 7:00 p.m.

For candidates' names and addresses, see the Clerk's Corner (page 3).

Do your civic duty and vote! Elections have consequences, with those elected making critical decisions about the City or Schools for four years.

AFRICAN-AMERICAN WOMEN'S HEALTH LUNCHEON III
